

Mid Am Selection and Racer Equipment Policy

Mid-Am Select Tryout Selection:

Each year the IRTHA is asked to submit player names to the Mid-American USA hockey district for the purpose of sending invitations to our players for participation in the Mid-Am select tryouts. Birthyears become eligible the spring going into their Peewee minor season (1st year PW). Depending on the birthyear this would start with a Mid-Am tryout. If chosen from the tryout, the player is then asked to participate in a week long Mid-Am USA hockey camp(Selects). From there (again depending on birthyear), Players are chosen to participate in another week long camp (Festival) that consists of the best birthyear players in the United States.

The IRTHA is only asked by Mid-Am to submit names of our elite players. Starting with the 2006-2007 season, only players on the first birthyear teams picked (this would consist of the 5 CSDHL Racer teams) are formally eligible for this invitation. The IRTHA compiles these names by asking the head coaches of the respective teams for player rankings. If additional names are requested by the Mid-Am district, the coaches on the next teams picked would be asked by the IRTHA for players names.

Racers Equipment:

Helmet: Navy
Pants: Navy
Gloves: Red/White/Navy and or any combination of those three colors (examples red/white, navy/white, navy/red, etc.)

The above does not pertain to goalies.
